

AUTHOR TALK

PENE GREET & AVIS ANN BALLARD

MAY THE CANE PROSPER

A Queensland Story

Uncover the story of impoverished German migrants, who in the 1890's travelled to Innisfail and became tenant farmers for the Colonial Sugar Refining Company.

The struggle to survive led to extraordinary outcomes for the Schilling, Backhaus and Teilkemeyer families. Pene Greet and Avis Ballard unfold personal family stories of grit, determination, tragedy and prosperity.
