From the Principal

Dear Parents and Carers,

It has been great to reconnect with students, staff and families as we begin Term 2's learning together.

As we begin the new term it is important for families to stay in touch with their Classroom Teachers especially if you have any concerns about your child academically, behaviourally or socially and emotionally. Your classroom teacher should be your first point of call to see if the concern can be addressed at a classroom level. If you have addressed a concern with the teacher and you are unsatisfied with the response, please don't hesitate to contact the school to book a meeting with me.

Parking and drop offs

Just a reminder that parents are not to park in the staff car park at any time. Please use the spaces at the front of the school for drop off's and pick up's and when visiting the school. Many parents are still accessing the cul-de-sac in front of the hall to drop their child off especially in wet weather. All students need to be dropped off at the front of the school for safety reasons.

We have had many visits since the commencement of the year from the local cassowaries. Please remind your child/ren to stay away and to never approach them. We have put signs up around the entrance/exit points around the school to keep our gates closed. Please help out by closing the gate behind you.

Breakfast Club

Breakfast Club will be starting next week! It is very exciting to announce that we will be starting a breakfast club on Tuesday and Thursday commencing next week. A big thank you to our P&C president Randal Russell for seeking donations from local organisations for food donations. Breakfast club will commence at 8 and run to 8:20am. Toast and spreads (no peanut butter) as well as Milo and milk will be on offer to start with. If you are interested in volunteering some time to support breakfast club, please contact the school to register your interest and days available and someone will be in touch to confirm.

At the end of term 2 we complete our end of semester one reporting. At that time, student report cards will be sent home. There will be a change to the reports as of semester one. Staff will be awarding grades and effort for each subject area and a comment for behaviour and overall. Classroom teachers will be holding parent teacher interviews/open classrooms towards the end of term.

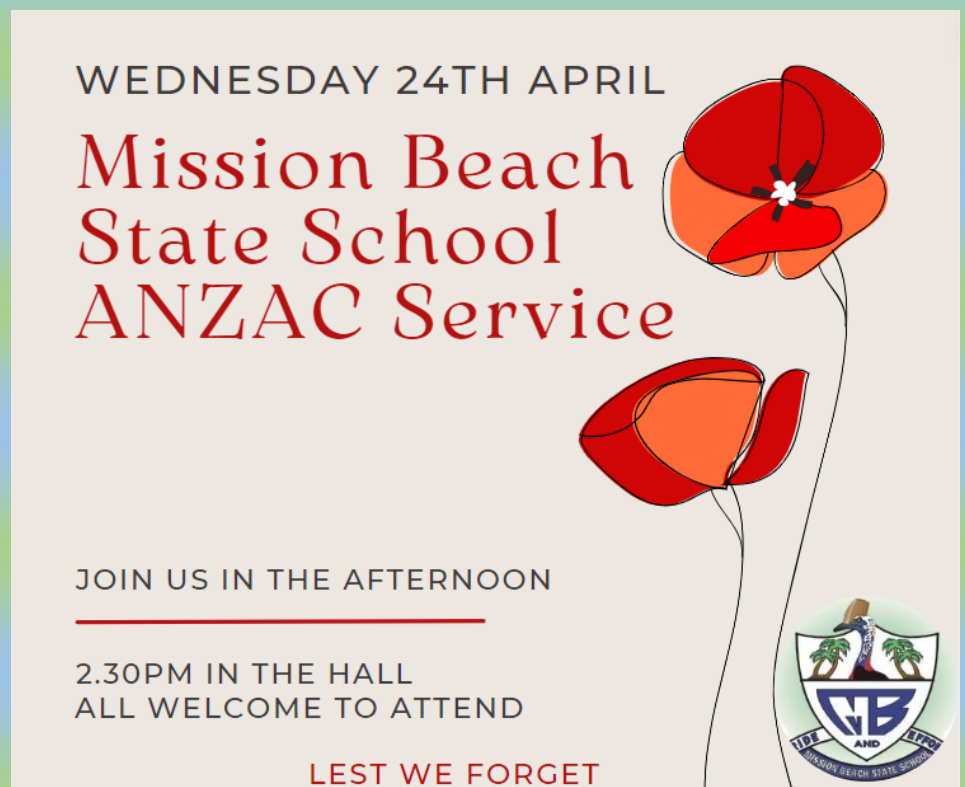

Please check that your contact details are up to date with us. The easiest way to do this is via QParents. If you don't have QParents yet, please speak to our office staff and they can assist you
